

UNIL is a leading international teaching and research institution, with over 5,000 employees and 15,500 students split between its Dorigny campus, CHUV and Epalinges. UNIL and CHUV encourage excellence, individual recognition and responsibility. The Faculty of Biology and Medicine ([FBM](#)) and the Lausanne University Hospital ([CHUV](#)) are inviting applications for a position of:

## **Physician, Head of the neuropsychology and neurorehabilitation Service with an Associate or Full Professor title at the Department of clinical neurosciences ([DNC](#))**

Starting date: August 2024

Place: Lausanne, Switzerland

The neuropsychology and neurorehabilitation [Service](#) is responsible for inpatient and outpatient neurorehabilitation activities, as well as coordinating all neuropsychological activities carried out in the various services of the Department of Clinical Neurosciences (DNC). As part of a cantonal mandate, the Service will soon evolve and become a University Neurorehabilitation Service (SUN), bringing together the neurorehabilitation activities of the CHUV and the Lavigny Institution, under a common medical governance ensured by the head of the service which is the subject of the present appointment. Medical activity will thus be spread over two sites, including the CHUV hospital complex and the Lavigny Institution, for a total of 75 neurorehabilitation beds. Within this framework, a significant development of outpatient neurorehabilitation is also envisaged. In synergy with its missions in the field of neuropsychology, the service is strongly committed to the development of cognitive neurology, and more specifically cognitive neurorehabilitation. The service is also involved in neuro-urology and paraplegiology, in close collaboration with the neuro-urology unit of the Urology Service, and the Swiss Paraplegic Center. The Service's academic activity is very dynamic, benefiting from a neurorehabilitation research center recently created by the University of Lausanne, as well as first-rate competitive funding.

### **Main missions:**

1. Directs, organize and ensure the development of all activities typical of a clinical service in a university hospital.
2. Ensure and reinforce the expertise and security of clinical missions/services, while developing inter-institutional collaborations and synergies in line with the CHUV's strategic plan.
3. Conduct and develop high level, externally funded, peer-reviewed clinical and academic research, including own research.
4. Ensure and guarantee the missions of pre-graduate (according to FBM needs), post-graduate (ISFM training center cat. A1) and continuing education, in the field of neurorehabilitation and neuropsychology, as well as participating in them.
5. Consolidate the influence of the clinical and academic field, both internally and externally.

**UNIL and CHUV are committed to promoting gender equality and diversity and strongly encourage applications from female candidates. [www.unil.ch/egalite](http://www.unil.ch/egalite)**

### **Desired profile:**

- Federal medical degree (or [Mebeko](#) equivalent), MD or MD-PhD
- ISFM specialist title (or [Mebeko](#) equivalent) in neurology
- Extensive clinical experience in neurorehabilitation and neuropsychology
- Managerial skills in team and project management
- Professorial-level academic knowledge with proven teaching experience
- Ability to set up clinical research programs that can be supported by expert external funding
- Good knowledge of French (LM or minimum B2, C1 ideal) or ability to acquire it rapidly.

Further information may be obtained from Prof. Philippe Ryvlin ([philippe.ryvlin@chuv.ch](mailto:philippe.ryvlin@chuv.ch)), Head of Department.

Applications, in English, should include 1) a motivation letter, 2) a curriculum vitae, 3) a list of publications highlighting the five most significant ones, 4) a brief statement of the past and future research, 5) a summary of previous teaching experience, 6) your vision of the field's development in the mid/long term, 7) names and contact information of at least three references, 8) a copy of diplomas and a valid ID card. They should be submitted online by **February 4<sup>th</sup>, 2024 (23:59 GMT+1)** to [www.fbm.unil.ch/releve/application/](http://www.fbm.unil.ch/releve/application/) as a single PDF file. **Only applications sent through this site will be considered.**
